Surveillance System in Tokyo, Japan

The infectious diseases which all physicians must report
All physicians must report to health centers the incidence of the diseases which
are shown at page one. Health centers electronically report the individual cases
to Tokyo Metropolitan Infectious Disease Surveillance Center.

The infectious diseases required to be reported by the sentinels
The numbers of patients who visit the sentinel clinics or hospitals during a week
are reported to health centers in Tokyo. And they electronically report the
numbers to Tokyo Metropolitan Infectious Disease Surveillance Center. We have
about 500 sentinel clinics and hospitals in Tokyo.

Number of patients with the diseases which all physicians must report
